TODAY'S REVIEW!

We never get through praising our 25c Stockings for women, men and children. Too much can't be said.

Hundreds of women have long known this is the place to buy the best fitting, best wearing stockings. Women who have accounts elsewhere come here for hosiery. Stockings, made as we want them, strong, elastic, perfectly shaped at prices to accommodate everybody's purse. Only good, only THE BEST Stockings in every line. One trio at 25c we'll match against the world.

Women's "Peerless," 25c.

Pure Maco Cotton smooth as satin, or Little Thread plain and drop stitch. It's stocking merit from top to toe.

Children's Hercules, 25c.

Plain or ribbed, double sole, heel and toe. If you find it difficult to keep your boy "in at the knees" try a pair of Hercules.

Men's Peerless 25c.

PRESIDENTIAL POISONING

The Danger From Two Sources Pronounced by the Physicians to be Practically Over

The wound now considered healed

A Count of the Blood Showed That There is Not the Slightest Indication of Blood-Poisoning.

The Distinguished Patient Has Been Removed to Another Bed and His Allowance of Beef Tea Was Increased.

Milburn House, Buffalo, Sept. 12.—At 10 p. m. Thursday morning everything was quiet at the Milburn house. All the lights are burning very low and no one is stirring about.

Buffalo, Sept. 12.—The condition of the president continued favorable throughout the day and night. The attending physicians and the nurses are confident that he will recover.

The danger from two sources were pronounced practically over Wednesday. The holes in the stomach were closed by the perforation of the bullet, and the eminent surgeon pointed to the fact that the patient Tuesday night, was really dead, as a proof of this. The patient has also been able to eat and the doctors in asserting that the wound had disappeared, the bullet had been expelled from the body, and the ball has now become encysted in the muscles of the chest. The location shown by the doctors was not far from the heart, and the wound was progressing satisfactorily.

The Wound Dressed.

"Decided benefit followed the dressing of the wound Tuesday night. The slight improvement in the patient's condition at midnight Tuesday night of the open wound was not due to the dressing, but to stand on Wednesday when fuller dressings were made. The character of the wound was not changed, and the patient's condition was not improved."

The president now has a fever of 101 degrees, and the condition of the patient is slightly accelerated in the afternoon, but the change was not due to the dressing, and his temperature remained practically stationary at night.

The evidences of improvement were the increase in the patient's pulse, but the increase in the pulse was not due to the dressing, and the patient's condition was not improved."

Dr. McBurney explained Wednesday afternoon that the slight irritation from the dressing was not due to the dressing, and the patient's condition was not improved."

The president continues in excellent spirits, but confessed to one of the attending physicians that he was not feeling well. He requested that he be placed in another bed. He was taken to the new room at midnight, and he was not disturbed. He had been in the room for some time, and he was not disturbed.

Another bed was given to him Wednesday evening. He was carefully moved from the old bed to the new one, and he was not disturbed.

He is still improving."

He is, and to prove it I desire to say that a count of his blood showed that he is in a normal condition, and we feel that we can announce that there is not the least indication of blood poisoning.

He referred the reporters to Dr. Wagoner, the attending physician, who was standing at his side, for a scientific interpretation.

The Blood Examination.

The latter explained that a count of the blood was a mirror of the condition of the relative number of white and red corpuscles in the blood. The blood was not infected, and the condition was not improved."

THE FREE SOCIETY.

Superintendent McKinley Has in His Possession the Code of Instructions to Assassins Colloids.

Buffalo, N. Y., Sept. 12.—Superintendent McKinley has in his possession the code of instructions imparted to the selected assassin, Colloid.

The platform of the Free Society was also added to the cumulative evidence of the anarchist conspiracy Wednesday. This document binds its members together to advocate and work for the destruction of the existing social order and continues:

"As in former times no privileged class ever relinquished its tyranny; no more can we take it for granted that the capitalists of the present day will forego their privileges and their authority without compulsion. It is therefore self-evident that the fight of the proletariat against the upper and the middle classes must be of a violent character and that mere wage conflicts can never lead to the goal."

"The only way by which the proletariat can achieve its goal is by the use of force. All attempts which have been made in the past to do away with the existing monstrous social system by peaceful means have been fruitless. The ballot box—has been useless and will be so in the future."

Instructed to Use Force.

"We know therefore that the ruling class will use every resource of its prerogatives and will make no concessions to us. Under all these circumstances there is only one remedy left to us."

"Our platform is simple and divided as follows: 1. Destruction of existing class domination through inexorable revolution in international activity. 2. The building of a Free Society on communistic organizations or productions. 3. Free exchange of equivalent products through the productive organization without jobs and profit-making. 4. Organization of the educational system upon non-religious and a scientific and an equal basis for both sexes. 5. Equal rights for all without distinction of sex or race. 6. The regulation of public affairs through agreement between the independent communes and confederations."

WITHOUT BAIL.

Miss Emma Goldman Held Pending the Decision of Similar Cases in the Upper Court.

Chicago, Sept. 12.—Magistrate Prindle Wednesday decided that Emma Goldman, the anarchist leader, should be held without bail pending the decision of similar cases in the upper court. VETERANS PRIDE

It Was the Grandest and Greatest Day the Organization Has Ever Seen

HUNDREDS OF THOUSANDS WENT IT

The Column Was Eight Miles in Length, the Men Moving Steadily, With Scarcely a Halt.

The Governors of Several States Marched in the Line With Their Respective Units and Were Proud to Do So.

Cleveland, O., Sept. 12.—The surviving veterans of the greatest war in the history of the world, the Grand Army of the Republic, have again responded to the bugle call and Wednesday fell in the line as they marched toward the city of Cleveland.

Old veterans, prominent in the affairs of the G. A. R., said it was the grandest parade and the greatest day the organization has ever seen.

In a seemingly interminable line of blue the veterans took up their march over the hard, granite pavements. Surging masses of people, numbering in the hundreds of thousands, lined the streets, and the house tops, and took advantage of every available point of view along the entire length of the line of parade.

In the downtown districts the streets intersecting and adjacent to the line of march were one struggling mass of eager and expectant humanity.

Half a Million Spectators.

It is estimated that nearly half a million people were spectators of the magnificent parade. The column was over eight miles in length, and was splendidly handled, the column moving steadily and with scarcely a halt or break until the entire line had passed the reviewing stand.

The scene was most inspiring. Octogenarians of the tottering footsteps and others erect and spry as in youth, but all with limbs and hearts of steel, plodded patiently side by side, and among the thousands were many of that gallant host, who were scarcely a bare half-dozen when the fatigues of the march caused to fall out before they passed through the living sea of faces in the court of honor and the reviewing stand.

Senator Hanna in Line.

The governors of several states marched in the line with their respective units and were proud to do so. The scene was most inspiring. Octogenarians of the tottering footsteps and others erect and spry as in youth, but all with limbs and hearts of steel, plodded patiently side by side, and among the thousands were many of that gallant host, who were scarcely a bare half-dozen when the fatigues of the march caused to fall out before they passed through the living sea of faces in the court of honor and the reviewing stand.

Every department, as it passed the court of honor and neared the living sea of faces, was greeted with the grand stand facing the long vista at the foot of Bond street, was greeted with a patriotic chorus from the throats of thousands of children, children composing "The Flag." Mingled with the inspiring strains of martial music and patriotic choruses was the unstinted applause of the populace.

BOWMAN.

Aunt Harriet Bowman, the oldest lady in this part, has been in very feeble health for several weeks past.

Well, not seeing any news from this "neck of the woods" lately we thought we would send in a few items once in a while.

William Park, who has been disabled for the past month with flu, is once more able to go to the tobacco patch to work.

There is considerable sickness in this vicinity at present, and quite a number of people are laid up for a few days with a cold and sore throat.

W. H. Doyle and wife visited relatives in Stone Lick vicinity last week and took in the Elks Fair at Maysville Friday and were on the ground when the news was received of the attempt on the President's life.

The basket meeting spoken of in our last was well attended. Among those we noticed on the grounds from a distance were Gus Poston from Hillsboro, Major Poston from Bracken county and Lake Station and wife of Galveston, Tex.

Alice Cooper passes the Court for a divorce from Jesse Arthur Cooper. They were married in 1881, and have four children, aged 15, 14, and 5 years respectively.

Margaret Moran has filed suit for divorce from Henry Moran. They were married in Aberdeen in 1880, and have three children,—aged 13, 10 and 8 years,—of which she asks custody.

At the Cincinnati M. E. Conference held at Dayton the past few days, Rev. J. A. Winkler was assigned to Aberdeen, Ky. I. E. Price to Manchester and Rev. George S. Easton to West Union. Rev. H. E. Armistead, formerly of Aberdeen, was assigned to Amelia, O.

SOLDIERS' REUNION.

Commander of Ohio Loyal Legion Will Address the Boys.

The coming reunion of the survivors of the Tenth and Sixteenth Kentucky Regiments, to be held in this city next month, promises to outdo all former like occasions.

Hon. J. J. McCarty, a former Fleming county boy, now Controller of St. Paul, Minn., is President of the Association, and he is exerting every influence to make the meeting a success.

He has invited a number of speakers, among them Major L. M. Hoses of Cincinnati, present Commander of the Loyal Legion of Ohio, who has kindly consented to come, as will be seen from the following list of acceptance:

CINCINNATI, August 28th, 1891.
Mr. Jos. J. McCarty, St. Paul, Minn.—
Dear Comrade: I am gratified to know that I may address you as Comrade in acknowledging your very kind invitation received today. I will surely try to arrange matters so as to accept your most cordial "invite" and share the pleasure of breaking bread with the boys at Maysville.

Thanking you most cordially for your kind thoughtfulness, I will load up with a short speech and will be "at time" with the "battle brotherhood" as a breast cavalryman. Yours very sincerely,
Lewis M. Hoses.

Commander Loyal Legion.

Press Echoes

WHAT THE BIG-HEARTED EDITORS SAY OF THE ELKS FAIR.

Below are a few of the many kind expressions from Newspapers who honored the Maysville Elks by the late Fair.—(Ed. LEADER.)

THEY'RE ALL RIGHT.

Not the least attraction at the Maysville Elks Fair will be Colonel Tom Davis, who hypnotized all of the Kentucky Editors into advertising the great show free of cost.

FLEMING WELL REPRESENTED.

Fleming Gazette.
The Maysville Fair was the attraction for a large number of visitors to that city last week, including quite a number from Fleming county. The attractions were made up of shows which were liberally scattered around Market street, and racing, exhibitions, etc., at the fairgrounds. Some very good stock was displayed during the meeting, but financially and as a whole the Fair was not the success anticipated.

STRIKING COINCIDENCE.

Elks City.
At the Elks Fair in Maysville, Friday afternoon, the Cincinnati First Regiment Band played "The Holy City," and at its conclusion the audience was in such a frame of mind that a request was made that "Hearts and Flowers" be played. The band had scarcely started the last note of the beautiful refrain when Editor Thomas A. Davis stepped to the front of the platform and announced to the already hushed and all but fearful assemblage the fact that President McKinley had been shot by a malignant assassin. Those who know and appreciate the two pieces played, and their melody and natural effect, the coincidence appeals strongly.

The Lizzie Bay will be up tonight for Charleston.

The Bonanza will be down for Cincinnati tonight.

The Jessie was delivering coal in the Maysville harbor yesterday.

The Excel is keeping things lively between this city and Manchester.

The Tacoma is making railroad time in the Cincinnati-Maysville trade.

The side-wheel steamer Liberty is at Stone Lick. For the past several months she has been lying at Wheeling, where repairs to the defective parts of her machinery were made. The former valve, which was made in two pieces, and broke, was done away with, and one,—a solid steel forged one, weighing thirty-eight pounds—was put into its place. The early part of this week everything was found to be all right for a trial trip, but as she was not pushed to any degree her utmost speed was not developed, her owners are of the opinion that it can be done in the near future. The speed which they desire to attain is fifteen miles up stream and about twenty down stream. The machinery of the boat will, it is said, if proven a complete success—revolutionize the building of steamers on Western waters. Her wheel is reported to have been so built that no part of the force of the machinery is wasted by its buckets carrying up part of the water high in the air. In the trial of the other day she made the trip from Wheeling to Steubenville. In going up stream she made eight miles an hour and eleven down stream an hour without being pushed.

There is more Cataris in this section of the country than all other towns put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and resorted to local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven, however, that it is a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by Dr. J. C. Hall & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer the hundred-dollar trial case. Full address, send for circulars and testimonials. Address F. J. CHERRY & CO., Toledo, O., sold by Druggists. 75 cents.

Hall's Family Pills are the best.

Mr. Dan Mitchell of Carlisle a few days since bought a fine bay gelding from W. W. Young of Georgetown, O., for \$325.

Jesse Davis of Hillsboro, who last April joined the Thirteenth Cavalry of Regulars and was ordered to Fort Clark, Tex., was drowned recently while bathing near that place.

The Democratic County Convention at Manchester has nominated R. F. Kunkle for Clerk, Al Lockhart, Sheriff, William Arrough, Commissioner, and Albert Campbell, Infirmary Director.

The Board of Trustees of the State Reform School in Lexington has decided to ask the next Legislature for an additional appropriation of \$50,000 and an increase of 50 cents in the per capita allowance.

BILLS!—BILLS!—BILLS!

All persons having bills against the Elks Fair will please make them out in proper form and present them at once, either to W. Henry Wadsworth, Secretary, J. D. Ivey, Treasurer, or the undersigned. THOMAS A. DAVIS, President.

Do you want your name and business repeated that often within the next twelve months?
